

Special Town Board Meeting
October 24, 2005
Following adjournment of
Plan Commission Meeting
Bradley Town Hall

Supervisor Elsie Bartz called the meeting to order in the absence of Chairman Jack Huston.

The Plan Commission recommended a layover of the after-the-fact Conditional Use request to continue a weekly cottage rental on parcel at N11813 W. Rapel Road for Rene and Sheryl Zedler until the commission had an opinion from zoning on the definition of what is considered "private use". Following discussion with Mrs. Zedler, her attorney Mr. VanderWaal and several of the neighbors from the area, Jelinek made a motion to recommend to Lincoln County Zoning to deny the request as a rental house is not compatible with the area. Bartz seconded and the motion passed 3-0.
