

Special Town Board Meeting  
October 25, 2010 4:45 P.M.  
Bradley Town Hall

Chairman Kevin Koth called the meeting to order. Present were Supervisors Joan Hilgendorf, Bill Jelinek and Robert Eisenman.

Byron Lange said that he saw no reason to replace the grader as there are only 1,900 hours on it in the last 5 years, but one of the Sterling trucks that is nine years old need to be replaced. The cost is estimated at \$150,000.00. That amount was added to the budget on both the receipt and expense so it will not make a difference in the levy.

Joan said that the back door of the addition needs to be painted and also the front of the hall.

Joan also asked that a account be added to the budget where any money left in the park account at the end of the year could be placed to build up to purchase some larger playground equipment. She also told the board that the see saws that were ordered were more than the catalog price as we had an old catalog.

Brian Gruhlke said that we are going to need a back-up snow plow driver.

M/M Hilgendorf/Jelinek to adjourn.

Ann Eckman, Clerk
