

Bradley Special Town Board Meeting
May 13, 2019 5:15pm
Bradley Town Hall

The meeting was called to order at 5:15pm by Chairman Kevin Koth. Supervisors Eisenman, Jelinek and Hilgendorf were present.

The Board reviewed the maintenance of the parks/beach with Tom Emmer for the 2019 season. It was agreed upon by both the Bradley Board and Tom Emmer that he will provide a weekly and/or bi-weekly schedule as to what work has been completed at both the parks and beach. Tom will work on getting the benches in the changing rooms at the beach replaced. The Town of Bradley crew will be going down to set-up the bleachers at Kahle Park and patching the concrete steps going into the building. Tom will do his best to help out if needed, although this work does not fall under his contract.

Business concluded at 5:27pm.
