

The Bradley Town Board met at the Town Hall February 12, 2007 at 5:00 P.M. to discuss waste and recycling.

Present were Chair Jack Huston, Elsie Bartz and Bill Jelinek. Kevin Koth arrived at 5:20 P.M.

Options were discussed as to what to do if the garbage truck would become inoperable.

1. Replace truck – if replaced, should it be budgeted for. If no replacement, look for a private provider?
2. Should the people be given a choice as to privatized per household or privatized pick up at the dumpsites?
3. Who furnishes the containers or dumpsters and/or recycling bins?

Elsie had previously talked with Baumgart Transfer and they will fill in if the truck breaks down.

Bill will contact Tomahawk Iron & Metal to see if they are going to continue with recycling or when they will give the town a definite answer.

M/M Bartz/Jelinek to adjourn the meeting. Passed 4-0
