7. Citation Ordinance - Mark G. Thought it would be expensive. Andy Kammons said no Towns use fines. Average court cost \$100. - doubted any money would come back to the town. Money stays in the court system. Suggested we do it as a fee - that's what the county does. Would have to get a permit or double the fee if after the fact - could be put on the tax roll.
8. Rescue Bradford Cottages - going to investigate.

Meeting adjourned at 7:50 Ann/Boll
