The license application for Fishbones was not acted on as they are going to do an appointment of agent.

There was correspondence from OMNI concerning development and revision of land use plans and also from Lake Nokomis Concerned Citizens for support to start a lake district.

A request by Jeffrey Lewis to put no parking signs on both sides of Sand Lane was discussed. Hilgendorf does not feel that the signs are needed on both sides of the road and that the other property owners on the road should have input on this. Byron Lange also feels that a sign for one side of the road is sufficient. The clerk will send a letter to all the property owners asking for their input and it will be placed on the November agenda.

Byron Lange reported that all roads are now complete. All the utility construction permits will be signed by the road supervisor.

Hilgendorf reported that the roofing material came in and the roof on the shelter at Kahle Park will be put on this week. All the locks at the hall have been replaced so only one key is needed.

M/M Hilgendorf/Rupnow to deny the request of Mark and Richard Kaiser to vacate a strip of property on Lake Mohawksin designated as public access. Passed 4-0

A table cart will be ordered as the one now being used is difficult to move.

M/M Jelinek/Rupnow to continue with Northern Waste for the next two years as they are making no changes to the contract. Passed 4-0
