M/M Hilgendorf/Eisenman to adopt petition for disaster damage aid on Woodland Drive. Motion passed 4-0

Plan commission report-No June meeting, the next plan commission meeting is July 24, 2017.

Road Report: Byron Lange reported that the GEO mat is down on Cottage Road, Cottage Road will probably be blacktopped the week of July 24th and the road will possibly have to be closed during that work. Gravel supply is almost empty so we will have to see where we are at in the budget and look at purchasing some. Tannery Road is complete and the invoice has been sent to the City of Tomahawk. Still waiting to hear back from the state on the wash-out on Woodland Drive. Byron has met with the town of Rock Falls and tree trimming will take place this fall once the leaves are down on Tamarack Lane (additional discussion was had on Tamarack Lane regarding fences). The guys have all the lawnmowers running it was decided the town will keep the smaller zero turn with bagger and sell the other three. An ad will be placed in the leader to sell the excessive equipment (three lawnmowers, one enclosed trailer and one utility trailer).

Waste & Recycling Contract: Supervisor Jelinek is looking into the expiration date on the current contract with Advance Disposal and will look at putting an ad out for proposals. He is also looking into getting an additional dumpster at the Sunset site as they have had to close early over the summer because the dumpsters are full.

No cemetery report

Parks & Beach Report: Kahle Park has been looking good and the bases on the big field have been corrected. Theisen Park and the beach are looking good. Mike went out and fixed the marks that were left at the beach from someone spinning doughnuts.

Building & Grounds: Andy Schoone was out and fixed both motion lights and the outlet on the south side of the building.

As there was no other business, the meeting was adjourned at 6:15pm.

Kari Kiser - Clerk
