The request by the property owner on Camp Rice Point Road for labor and material for his fence repair after it was damaged last winter was discussed. The motion to deny this request was made by Hilgendorf/Jelinek due to the fact that the fence is on an established road, on road right-of-way and was repaired once by the road crew. Motion passed 3-0

Cemetery Report: Three trees have been removed but there is now a couple of trees that have broken off and will need to come down. Foley's will be contacted and those trees will be removed before they cause any damage. The columbarium has been ordered and at this point there is no exact delivery date. Work on the scattering garden should start this week. All decorations will need to be removed from the cemetery by September 20th and new decorations may go back out after October 1st.
