Credit card application from BP to charge for all Town gas with a savings of .19 cents/gallon for the first six months and then .065 cents/gallon for life - Hilgendorf/Koth motion to approve applying for the card with each road worker carrying a credit card. Motion passed 4-0

Plan Commission: Request from Joe Henrichs(Concrete Investments) for a zoning change from RR-1 to CMU for property on Hwy L - Koth/Hilgendorf motion to approve. Motion passed 4-0. Next plan commission meeting will be on Tuesday, May, 29th due to Memorial Day.

Ben Brown had requested to be put on the agenda to discuss his property line on Hwy Y but Ben was not at the meeting so there was no discussion.

Cemetery Report: Supervisor Jelinek reported that clean-up at Greenwood Cemetery is now complete. Tom Baumann and Bill Jelinek met with ACE Landscaping at the cemetery to discuss plans for a scattering garden. Leah Sukhram has received her cemetery deed regarding the Taylor family lots. It was noted that Tom Baumann has sold his business to Matt we will have him come in and sign the current cemetery contract and then look at drafting a new contract when the current one expires.

Parks & Beach Report: Gary Hilgendorf will check the roof on the school at Kahle Park for any damage. Supervisor Eisenman will contact the DNR to see if anything can be done at the beach with all the sand washing out.

Road Report: Still working on the speed limit issues on Kings Road. The speed board has been fixed and will be placed out there. We will need to have someone man the board to record traffic speed and count since the board only displays the speed and does not record the data. The shoulders have all been seeded and grubbing work is scheduled to start in the next week. Weather/work permitting they would like to come in and do all paving the week of June 11th.

Building & Grounds: Will look at getting the posts placed in front of the gas meter this summer.

Other business not requiring board action: The question was asked if the Town of Bradley has an emergency plan in place and it was noted that we are synched with the County in case of an emergency. Supervisor Jelinek will be contacting OJ Services to clean the port-a-potties out at the two dump sites and lock them up. In response to what to do with the shacks at the dump sites, an inventory will be done of any items, including equipment and the shacks, the items that are no longer needed will be put up for sale.

As there was no other business the meeting was adjourned at 6:15PM.
